

Demand to Shut Down of All Foreign Guild Organizations

International Public Notice

August 21, 2025

The United States of America —
Federation of States

All foreign guild organizations which have been put in place under the auspices of an illegal mercenary occupation of our country must be shut down permanently and suffer liquidation of their assets.

Earlier this week we required the closure and decampment of the District Courts and their State of State and State (Trust) Court franchises as organizations engaged in known criminal racketeering and fraud upon the American Public.

These foreign courts must return to their proper location in the District of Columbia and function in their intended role and jurisdiction exclusively. They cannot address Americans under Equity Law and may not impose Federal Codes or other obligations of Federal citizenship(s) on American civilians who are naturally exempt.

Today, we similarly require the closure of all European Guilds and Guild-like organizations operating within the borders of the fifty sovereign nation-states, beginning with the Illinois Bar Association.

The Illinois Bar is one of the most corrupt of all corrupt Bar Associations on Earth, and was among the first vectors used to undermine our law, our country, and our government. It is no accident that Abraham Lincoln joined the Illinois Bar Association in 1834 and remained a member for life.

The Bar Associations are foreign professional guilds which have been used for the promotion of unauthorized Equity Courts on our land and soil, and for purposes of unjust enrichment and coercive power leading to the unlawful and illegal subjection of our people to foreign laws. This lawfare has been a form of paper terrorism unleashed on our unsuspecting people under color of law.

These venal organizations must be shut down and denied any form of professional credibility. They are not in the business of promoting justice; they are in the business of abusing the law for purposes of racketeering and unjust enrichment, as proven by the entire CRIS kickback system.

We have a cured 33 Trillion dollar commercial lien against the Bar Associations including their members and Principals, for a partial redress of our grievances and we direct the International Commercial Courts in receipt of this information to see our cured and duly established lien for immediate assignment of the receipts to the Global Family Bank we have chartered.

We also similarly require the ouster of the American Medical Association, the American Academy of Pediatrics, and all similar "professional standards" and credentialing organizations, which have been used to coercively control the practice of medicine and have abused this power to harm the public for purposes of coercion and unjust enrichment. Murder and destruction of health for profit is a capital crime and must be addressed as such:

The so-called Covid shots and all disgusting claims of ownership interest in those injected have already been outlawed in this country and any persons or organizations continuing to promote these shots in any form or forum whatsoever are to be arrested and deported back to England or Rome (their choice) and never allowed entry to this country again. They have violated the terms of the Residence Act.

Likewise the members of the “other ABA” , the American Bankers Association have functioned to obstruct free trade and work a foundational fraud upon the American people for purposes of their own unjust enrichment and coercive power. They have to either voluntarily dissolve and not reorganize under any different name or form — which is a choice available to the other organizations, too — or they, too, must be deported as Undeclared Foreign Agents who have violated the terms of the Residence Act.

Let the spectre of millions of attorneys, allopathic doctors, insurance agents, and bankers returning “home” to the Vatican and the Inner City of London be a mighty motivator to those guilty Principals and their incorporated government “services” vendors to immediately rethink their policies and practices before we begin mass deportation of their judges, magistrates, lawyers, academics, doctors, and registered nurses, bankers and credit union managers, stock brokers and others who have participated in commercial and/or politically-motivated crimes against humanity via cattle cars and leaky boats.

And some we may deliver by air, with or without parachutes.

Notice to Agents is Notice to Principals; Notice to Principals is Notice to Agents; notice to agents is notice to principals; notice of principals is notice to Agents; NOTICE TO AGENTS IS NOTICE TO PRINCIPALS; NOTICE TO PRINCIPALS IS NOTICE TO AGENTS.
