Parasites and nanobots and poisons were in the Covert ID “19” injections and the people creating and authorizing the pandemic knew it. People like Emmanuel Macron. People like Nancy Pelosi. They knew. They exempted themselves.

Pre-exempting themselves and their families and their staffers and their staffer’s families from taking these injections, is circumstantial evidence of malicious premeditated murder, pollution of the human genome and pollution of our blood.

A more vile and serious crime can hardly be imagined.

They all need to be arrested and injected as soon as possible.

Without delay.

They had no authority to exempt themselves while pushing and intimidating and coercing other people to accept injection. Inject them all. Twice. Three times.

That’s what they have promoted to the rest of humanity. Let them be sentenced to share the same fate.

They can have no possible defense or objection to being strapped down to a chair and injected with three vials of the Snake Oil they prepared for all the rest of us.

The Hydra vulgaris parasite will be active and growing in their blood within two hours. Within twelve hours all the little graphene nanobot computers will be assembled.

If it is “safe and effective” in the sense that they meant those words, they will all be dead within seven years of receiving the shots.

Meantime, they can sit in containment camps singing songs and eating dry bread made with bleached and “enriched” flour, eating GMO food contaminated with pesticides, and contemplating the fact that they are injected with self-replicating poisons and parasites and genome altering crap that is silently killing them. And it’s their own fault.

These “vaccine” products are to be considered deadly bioweapons and contraband. Anyone caught manufacturing, distributing, advertising, promoting, selling or even giving these products away is to be arrested immediately and charged with felony public endangerment and conspiracy to commit murder.

Any organization that participated in the development, production, dissemination, promotion or actual injection of these products must be shut down, liquidated, or forfeited.

The key players responsible must be arrested, charged with treason, murder, and all other applicable charges.

This is not a new demand. This is a demand made upon our Federal Subcontractors and international justice authorities that has been consistent since the nature of the so-called vaccines was substantiated, beginning in 2020.

Failure to take action against the perpetrators is an admission to being an accomplice.
