Vendor Account in the 528 Prosperity System

- Entry Screen
- Tool Sections (2)

Transfers:

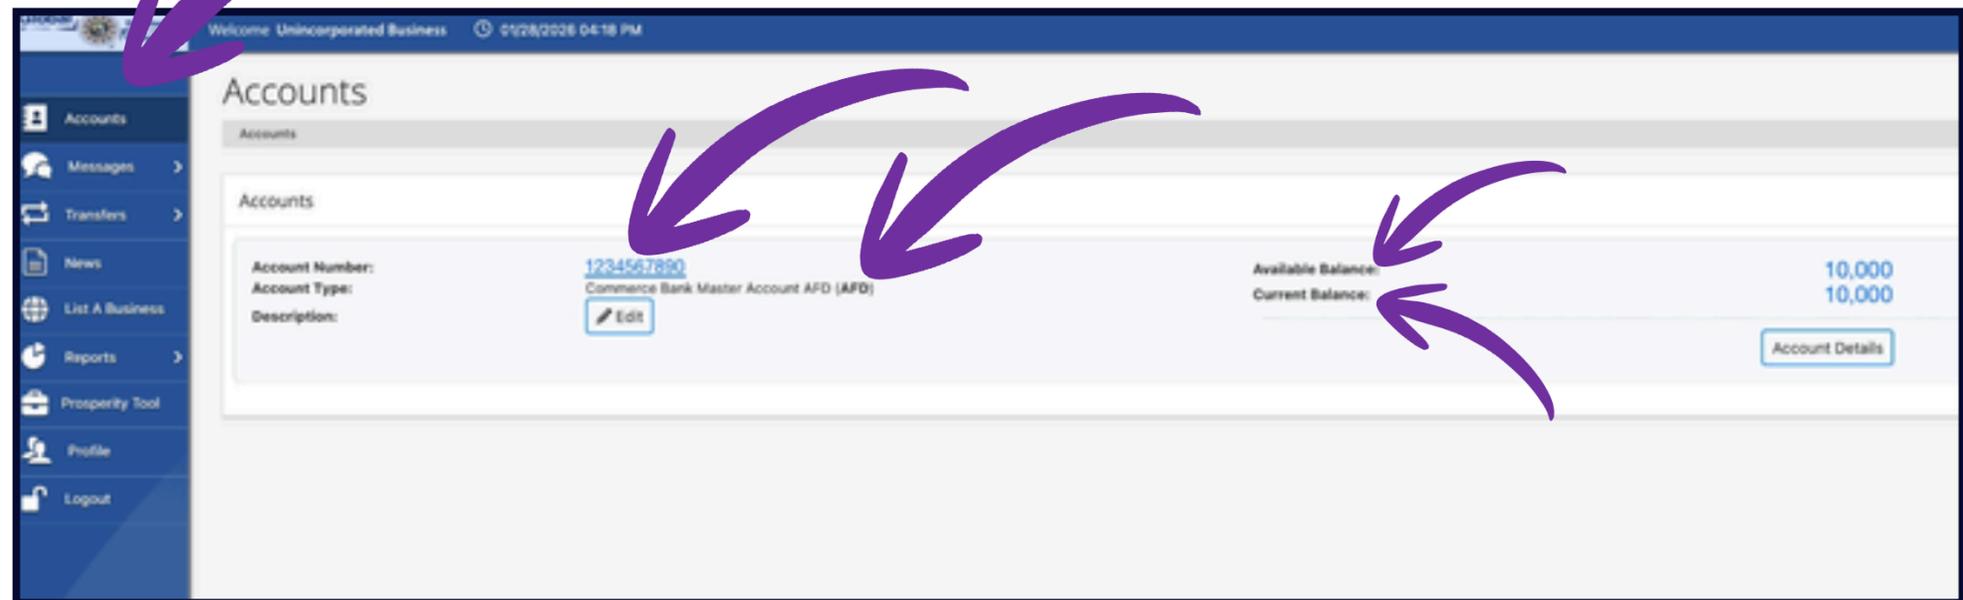

- Transfer Between Accounts
- Transfer to Other User

Prosperity Tool:

- 1) Create Global InstaPay© Link
 - a) with amount
 - b) without an amount
 - c) creates link and code
- 2) List of Global InstaPay© Links

Vendor Account Entry Screen

- Shows the Account Number
- Account Type (AFD)
- Available Balance
- Current Balance

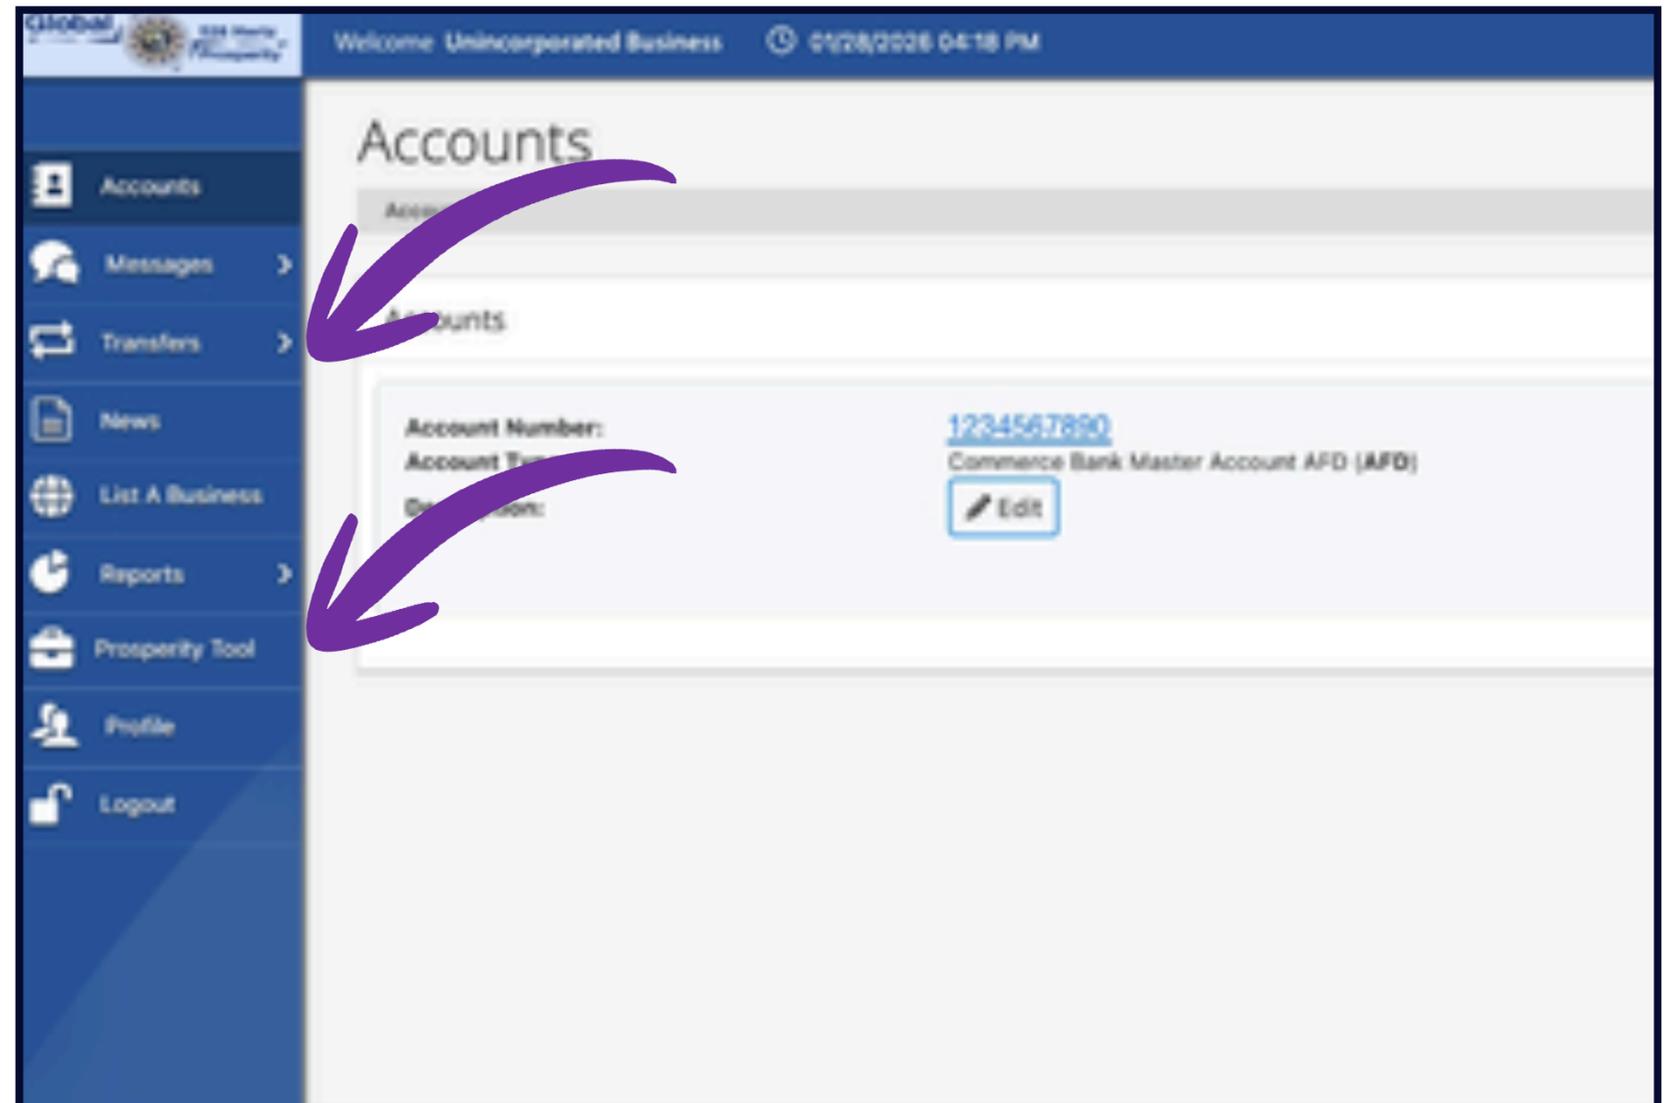

Tool Sections (2)

1) Transfers

2) Prosperity Tool

1) Transfers enable AFD transfers to another account or user. Multiple accounts will be activated.

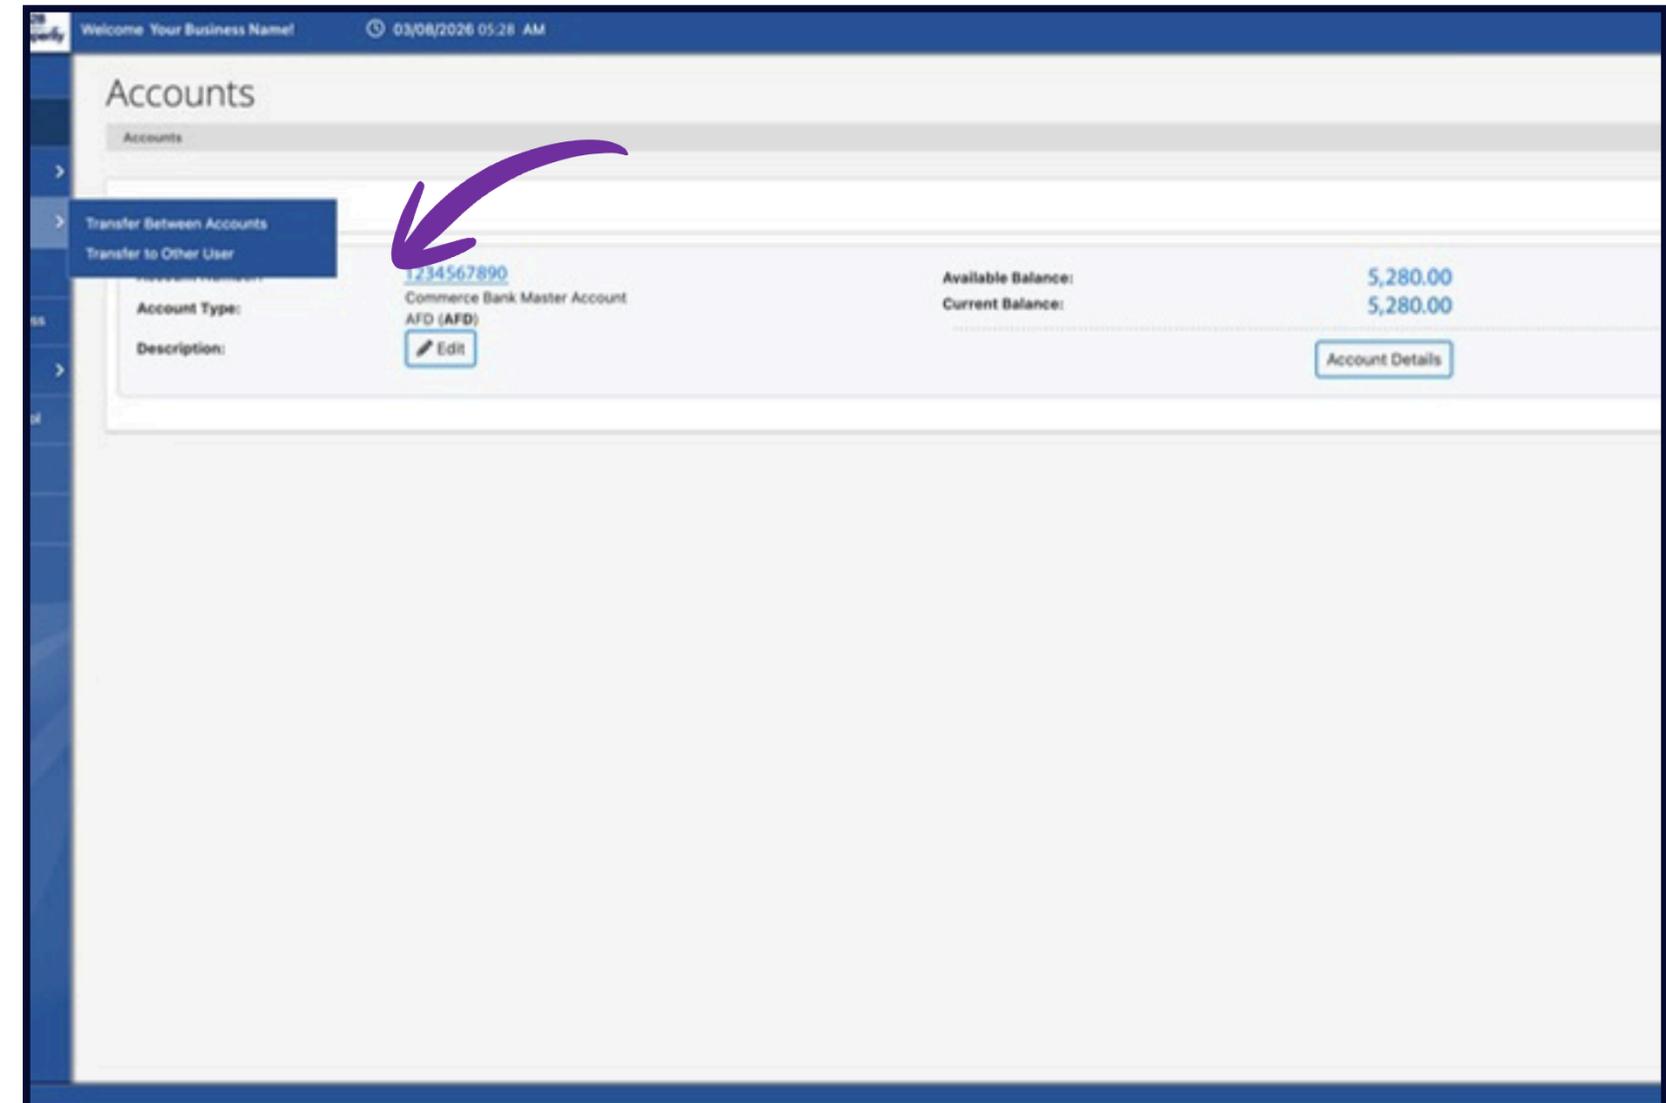

2) Prosperity Tool reveals **Global InstaPay©** to create your **business links** for goods and services.

All Transfers

- **Transfer Between Accounts**
- **Transfer To Other Users**

Transfers enable AFD transfers to another account or user. Multiple accounts will be activated.

1) Transfers - Transfer Between Accounts

- Transfers enable AFD transfers to another account
- Multiple accounts will be activated

Note: Amounts are stated in AFD. If you need a fractional amount you must place a 0 before the decimal to achieve the correct amount. **Example: 0.25**

The screenshot displays the 'Transfers' page in a web application. The page title is 'Transfers' and the sub-page is 'Transfer Between Accounts'. The interface is divided into three main sections:

- Debit from Account:** This section contains a dropdown menu for 'Account Number' with the value '1234567890 - AFD'. To the right, there is a blue box showing 'Account Type: Commerce Bank Master Account AFD' and 'Available Balance: 0.00 AFD'.
- Credit to Account:** This section contains a dropdown menu for 'Account Number' with the value 'Select Account'. To the right, there is a blue box showing 'Account Type:' and 'Available Balance:'.
- Transfer Details:** This section contains three input fields: 'Amount to Transfer:', 'Description:', and 'Transfer Fee:'. A note below the 'Amount to Transfer' field states: '* For fractional amount, use 0.00 before decimal point up to 2 digits. e.g. = 0.25'. At the bottom right of the form, there are 'Continue' and 'Back' buttons.

Two purple arrows are overlaid on the image: one points to the 'Transfers' header, and the other points to the 'Available Balance' field in the 'Credit to Account' section.

1) Transfers - Transfer To Other User

- Transfers enable AFD transfers to another user.
- Credit to Account requires a **user email associated to another 528 Prosperity or 528 Vendor Prosperity account**

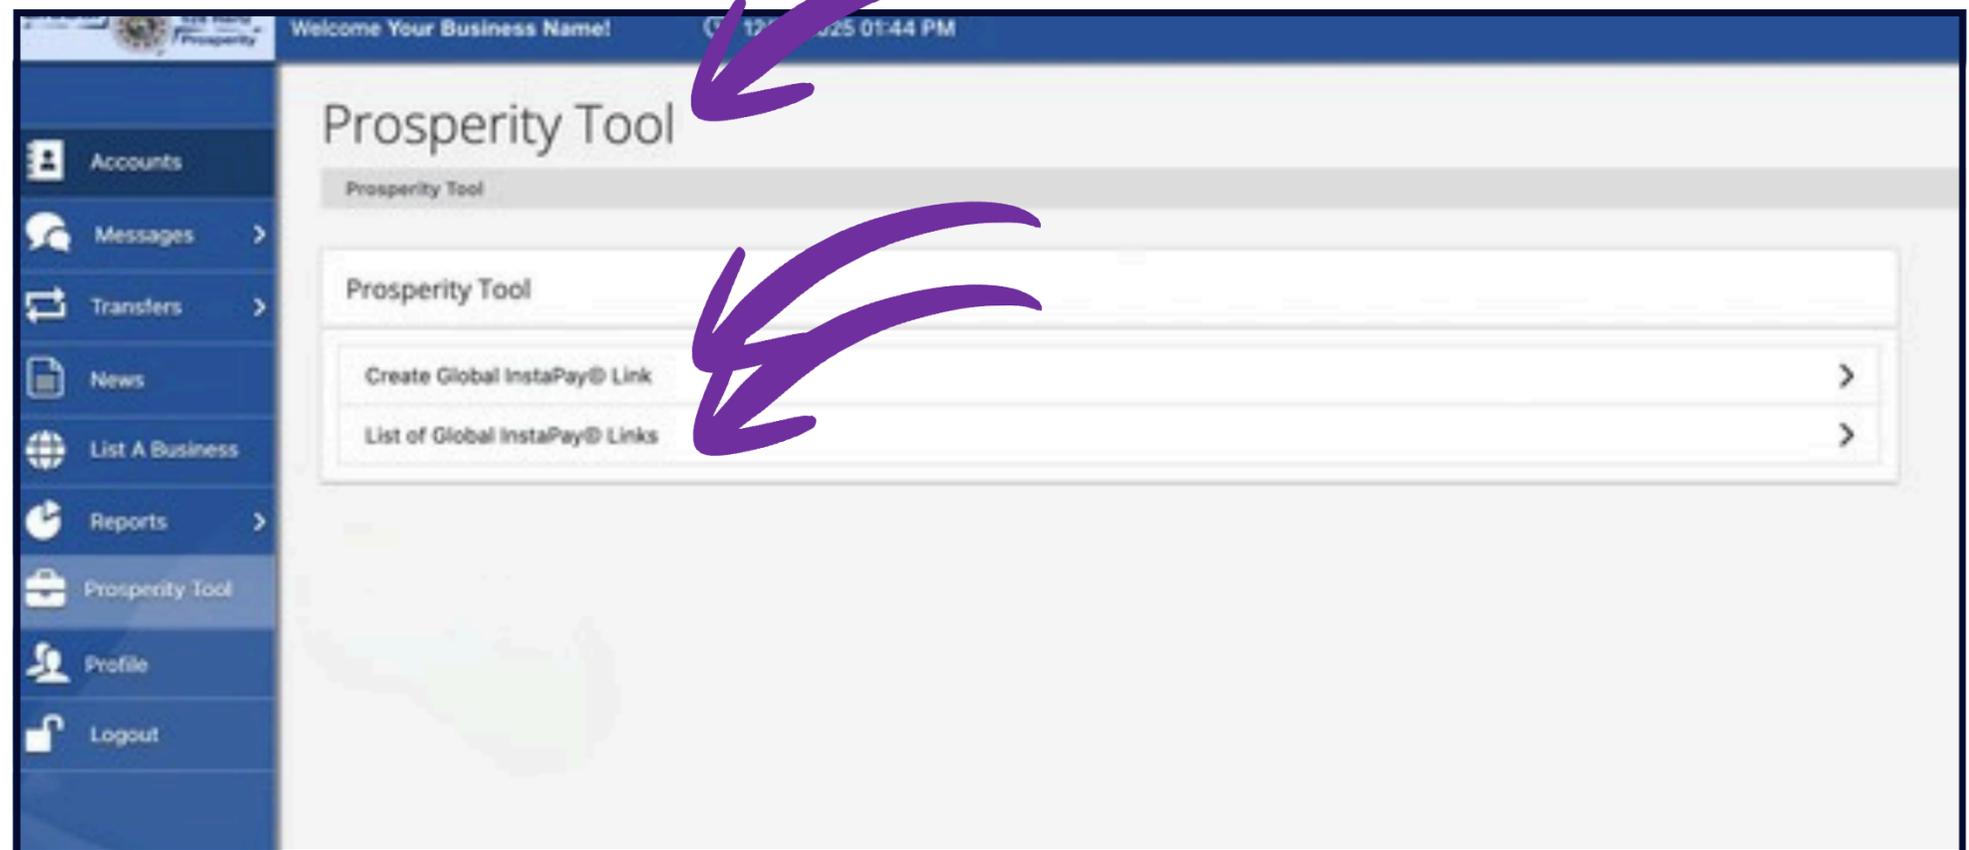

Note: Amounts are stated in AFD. If you need a fractional amount you must place a 0 before the decimal to achieve the correct amount. **Example: 0.25**

The screenshot shows a web interface for 'Transfers' with a blue header bar. The main content area is titled 'Transfers' and contains a sub-section 'Transfer to Other User'. A purple arrow points to this sub-section header. Below the header, there are two main sections: 'Debit from Account' and 'Credit to Account'. The 'Debit from Account' section includes a dropdown for 'Account Number' (1234567890 - AFD) and a blue box showing 'Account Type: Commerce Bank Master Account AFD' and 'Available Balance: 5,290.00 AFD'. The 'Credit to Account' section has a 'Payee Username' input field. Below these is the 'Transfer Details' section, which includes an 'Amount to Transfer' input field (0.00) and a 'Description' input field. A note next to the amount field states: '* For fractional amount, use 0.00 before decimal point up to 2 digits, e.g. = 0.25'. At the bottom right of the form are 'Continue' and 'Back' buttons.

2) Prosperity Tool - To establish Global InstaPay© links for any service or goods that you are offering.

Consists of 2 links:

- 1) **Create** Global InstaPay© Link
 - a) With amount
 - b) Without an amount
 - c) Shows created link
- 2) **List** of Global InstaPay© Links

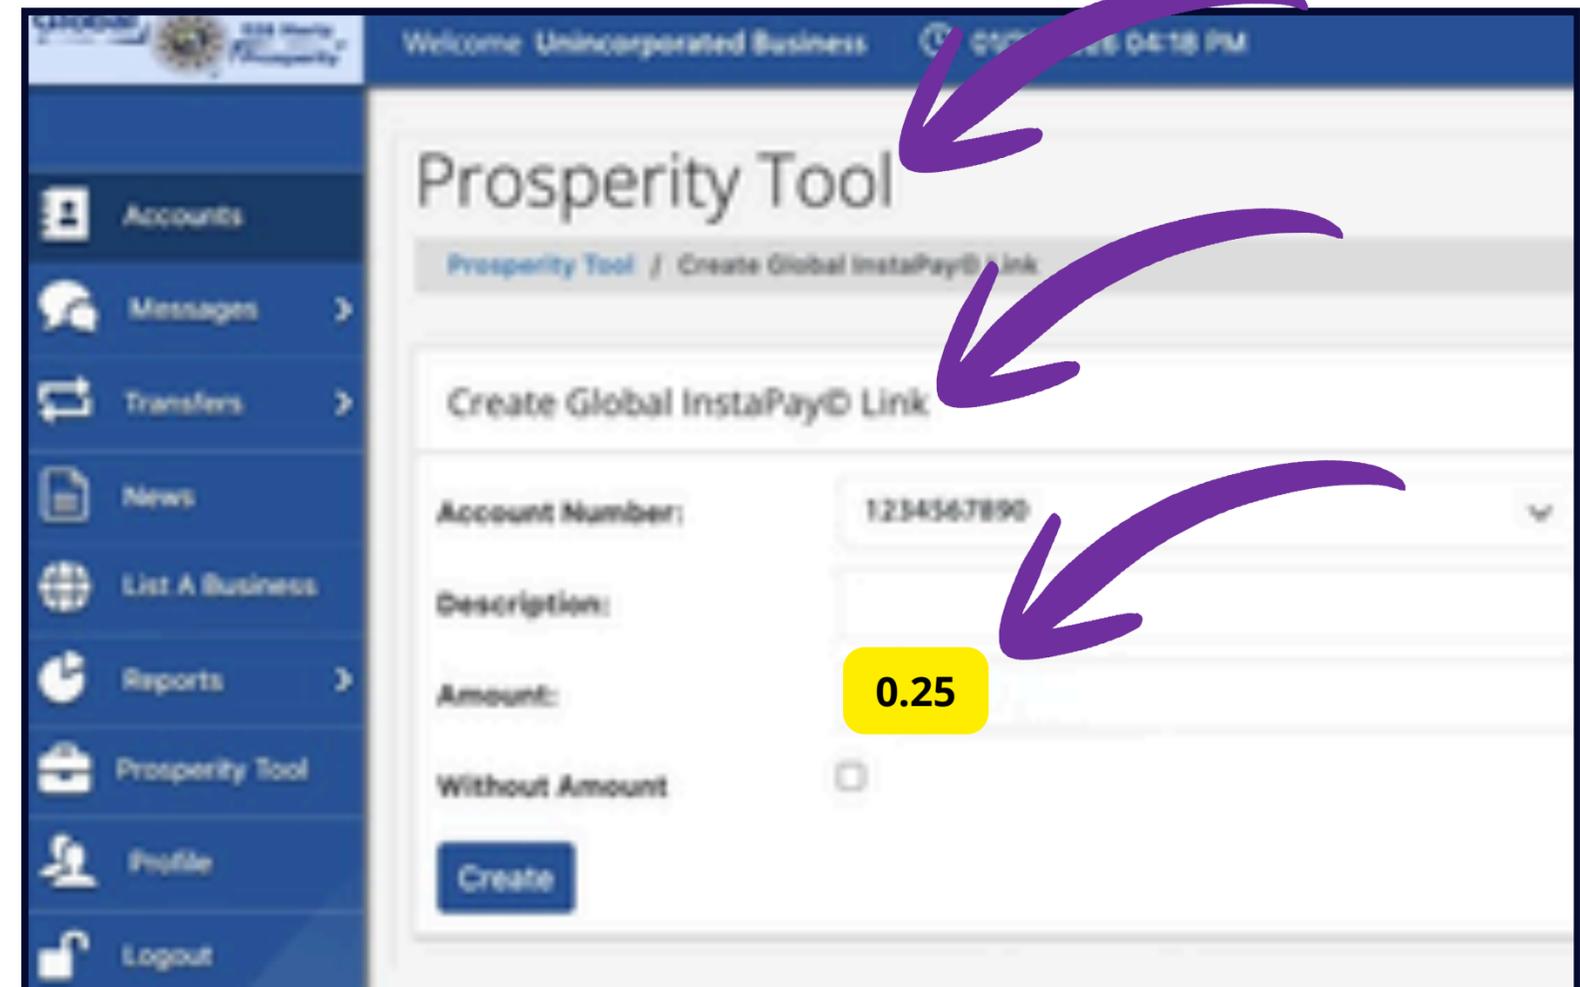

2) Prosperity Tool - To establish Global InstaPay© links for any service or goods that you are offering. (cont'd)

a) Create Global InstaPay© Link - with Amount

Note: Amounts are stated in AFD.

If you need a fractional amount you must place a 0 before the decimal to achieve the correct amount. **Example = 0.25**

The screenshot displays the Prosperity Tool interface for creating a Global InstaPay© link. The page title is "Prosperity Tool" and the breadcrumb is "Prosperity Tool / Create Global InstaPay© Link". The form includes the following fields:

- Account Number:** 1234567890
- Description:** (empty)
- Amount:** 0.25 (highlighted in yellow)
- Without Amount:**

A "Create" button is located at the bottom left of the form. Three purple arrows point to the "Account Number", "Description", and "Amount" fields.

2) Prosperity Tool - To establish Global InstaPay© links for any service or goods that you are offering. (cont'd)

b) Create Global InstaPay© Link - without Amount

✓ **Note:** Check the box 'Without Amount'

The amount filled will not be editable.

'Without Amount' is used for things like donations and other issues where the user may set a variable amount.

The screenshot shows the Prosperity Tool interface for creating a Global InstaPay© link. The form is titled 'Create Global InstaPay© Link' and includes the following fields:

- Account Number: 1234567890
- Description: (empty text box)
- Amount: (disabled text box)
- Without Amount:

A 'Create' button is located at the bottom of the form. Three purple arrows point to the 'Without Amount' checkbox, the 'Amount' field, and the 'Create' button.

2) Prosperity Tool - To establish Global InstaPay© links for any service or goods that you are offering. (cont'd)

Created Global InstaPay© Links - Creates link & QR Code

Note:

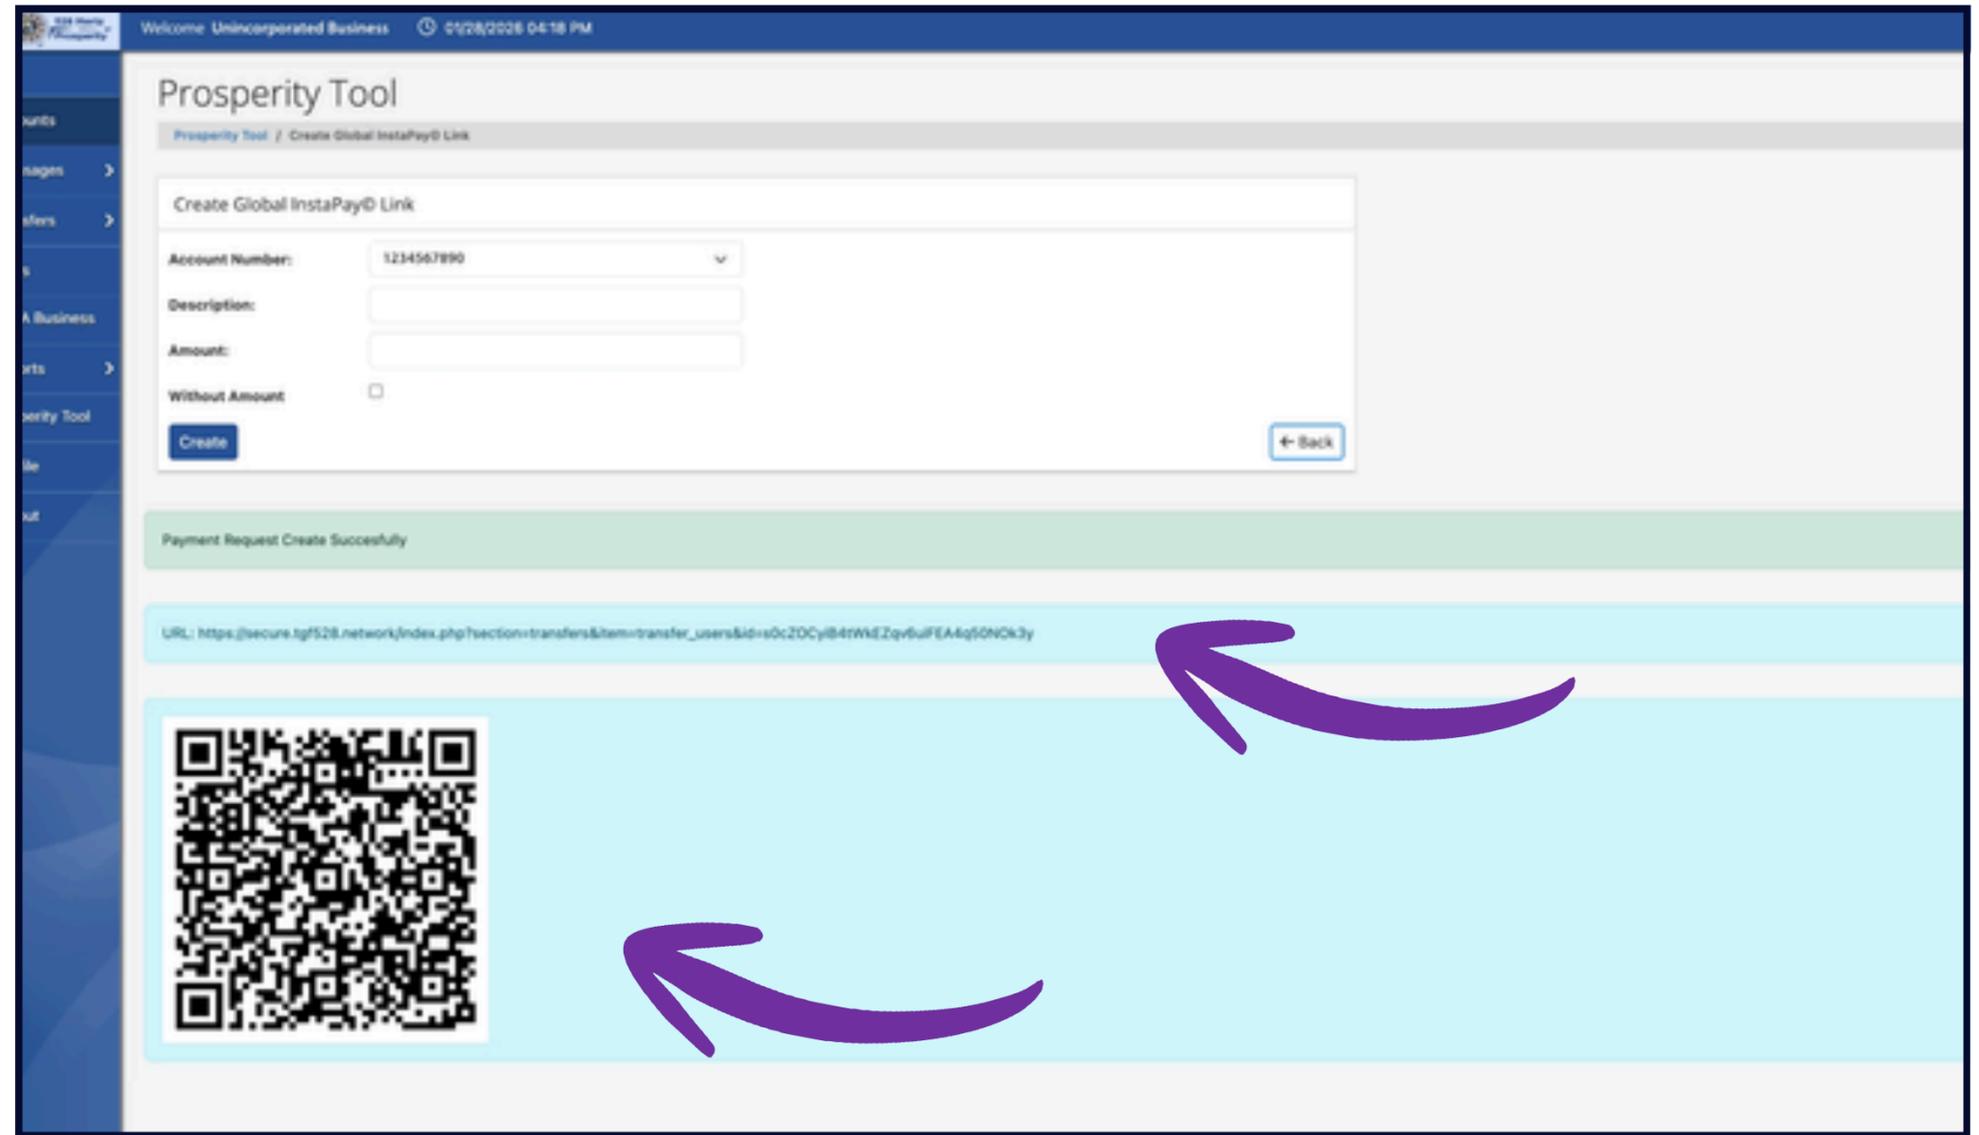

The created link includes:

the URL link

and

the QR code

Once created, access those in the Prosperity Tools, titled '**List of Global InstaPay Links**'

The screenshot displays the Prosperity Tool interface for creating a Global InstaPay© link. The form includes the following fields:

- Account Number: 1234567890
- Description: (empty)
- Amount: (empty)
- Without Amount:

Buttons for 'Create' and 'Back' are visible. Below the form, a green message bar states 'Payment Request Create Successfully'. The resulting URL is displayed as: https://secure.tgfi28.network/index.php?action=transfers&item=transfer_users&id=0c20CyB4rWNEZqv6ulFEA4g50Nk3y. A QR code is also shown below the URL. Two purple arrows point to the URL and the QR code.

2) Prosperity Tool - To establish Global InstaPay© links for any service or goods that you are offering. (cont'd)

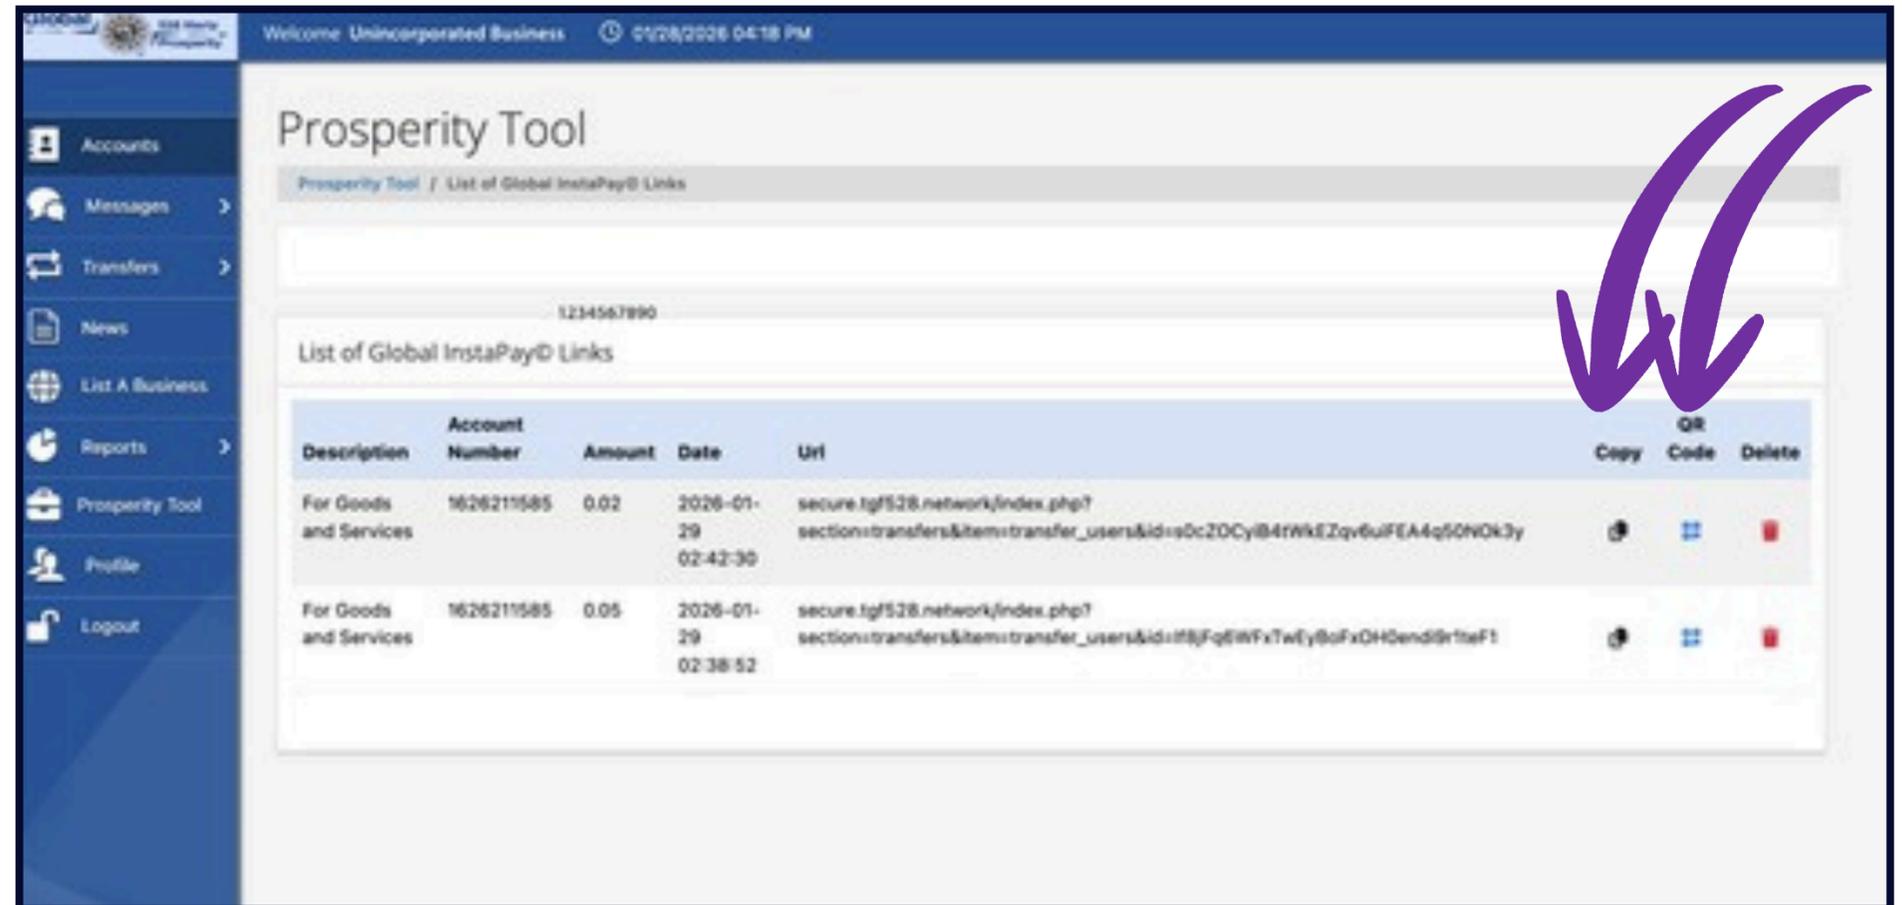

c) List of Global InstaPay© Links

Note: Previously created links will show in:

'List of Global InstaPay Links'

The list provides both abilities to: **copy a URL and copy or download a QR code.**

Both of these will produce the same result. It is there for reference with the ability to copy or delete when needed.
